Mr. W. L. Robb
Wilson - CHICAGO

Dear Wally:

I am enclosing a letter from our good friend in
Newark, Mrs. Effa Manley.

An emergency arises where they are in need of
1 white and 1 gray uniform as per their specifications,
for an extra large player.

If there is any possible way to fill that ahead of
the date requested, I will appreciate it very much
and I know Mrs. Manley will too.

Will you please write her direct and tell her what
you can do.

Cordially,
Turk
